Friday. 2nd

Dear Mrs Manley.

Received your letter yesterday and was glad to hear from you. Our telephone conversation wasn't very definite and I didn't know what to expect from you. I made a sacrifice by cancelling all my plans to play elsewhere which financially would mean more to me. The contract was O.K. except for the fact its for $4\frac{1}{2}$ instead of five months. I expect a two month contract. If you intend to do this or not answer immediately because if you cant I'm losing money fooling around. All I want from you is yes or ^{no} ~~no~~. These people have called twice since Sunday and I've put them off for you. I prefer playing with Newark as all my boys are on the Club. I've been a little sick this week with a very

bad cold but I will be ²ready
to meet the team on Monday
I want you to send my transportation
expenses to pick up the team. I
also need shoes & skis as I have
weight to get off. So were me
enough money to cover this and
I will leave Monday morning to
join the Club. I hope we can get
along & I will do all I can to
help you have a winning Club.

Sincerely yours,
Bar. Clarkson

P.S. You made toward the contract to
Camp or training quarters.
